Re: **Ex Parte Notice – CC Docket No. 99-200**

Dear Ms. Dortch:

On April 11, 2013, Glenn Richards, Executive Director of the Voice on the Net (VON) Coalition, left phone messages for Priscilla Delgado Argeris, Legal Advisor to Commissioner Rosenworcel, David Grimaldi, Chief of Staff to Commissioner Clyburn and Michael Steffen, legal advisor to Chairman Genachowski, concerning the above-referenced proceeding. VON made the following points:

- NARUC and several public interest organizations filed a letter opposing the VoIP numbering trial.
- The letter does not raise any issues not previously addressed in this docket.
- The letter is not a valid reason to abandon the proposed VoIP numbering trial.
- A numbering trial will help the Commission develop a more complete record as it considers rules allowing VoIP providers to directly access numbers.
- The VON Coalition supports adopting both the NPRM and VoIP numbering trial at the April 18 open meeting.

Please contact me directly if you have any questions.

Sincerely,

/s/

Glenn S. Richards
Executive Director
